Public Policymaking: An Introduction

James E. Anderson

Public Policymaking: An Introduction James E. Anderson

To explain the fundamentals of public policy, this best-selling text focuses on the process behind the crafting of legislation. By examining the individual steps--from identifying a problem, to agenda setting, to evaluation, revision, or termination of a policy--students are able to see how different factors influence the creation of policy. Each chapter features at least one case study to illustrate how general ideas are applied to specific policy issues.
