Sex is the last thing on Spook's mind, or he wishes it was.

Spook Mortensen has one rule when it comes to relationships: just say no. He has his reasons. Good reasons. His policy of total abstinence has kept him out of trouble for years. Sex ought to be the last thing on his mind, but whenever go-getting sound engineer Allegra Hutton shows up, she doesn't just hijack his libido, she downright screws with it. The only way to deal with her is to tie her up.

Alle realises she's upsetting Spook's rhythm, but she's under no illusion that he's the right top to warm her bottom.

A Black Halo novella about an enigmatic rock star and the curvy woman who pushes his limits... over a table, in a limo, on the floor, and in bed.
