*Unraveled by Him* is one of those books where you think you know which direction the book is going to take, but when you read it, it's completely unexpected." –Once Upon a Twilight

Heralding the sensational next step beyond *Fifty Shades*, *New York Times* bestselling author Wendy Leigh laces mystery and intrigue with dark pleasure and intoxicating passion in *Unraveled by Him*, the first in the groundbreaking and addictive Unraveled trilogy.

When celebrity ghostwriter Miranda Stone's unpublished erotic manuscript accidentally gets sent to the elusive and all-powerful billionaire Robert Hartwell, she's determined to do whatever it takes to get it back. Little does she know that Robert will demand that she surrender to him completely, and that he will test the limits of her submission to the maximum, and push her limits until she becomes the complete sexual submissive she was born to be.

Unable to deny the magnetic pull between them, Robert and Miranda embark on an all-consuming and utterly addicting sexual adventure, only curtailed when the ghosts of their pasts come back to haunt them and threaten to shatter their love and their passion irrevocably.

New and daring BDSM erotica, the Unraveled series will captivate fans of Tiffany Reisz's Original Sinners series, and Anne Rice's Sleeping Beauty trilogy.
