Wicked Appetite by Janet Evanovich (Sep 14 2010)

Seven Stones of Power. No one knows when they were created or by whom, each said to represent one of the Seven Deadly Sins. For centuries, treasure hunters have been eager to possess the Stones, undeterred by their corrupting nature. The list is long- Genghis Khan, Alexander the Great, Napoleon, to name a few. Now the Stones have found their way to Salem, Massachusetts, and so has Gerwulf Grimore, adding himself to this rogues' gallery of power seekers. He's an uncommonly dangerous man with a hunger for the forbidden and a set of abilities that are way beyond ordinary. Abilities that he feels entitle him to possess anything he might desire. That would include Elizabeth Tucker, the woman he needs to find the Stones. She's freshly transplanted from NYC to Boston's North Shore. With a new job as pastry chef at Dazzle's Bakery and an old house inherited from her Aunt Ophelia, her life is pretty much on track.....until its suddenly derailed by a guy named Diesel, a rude monkey, and a ninja cat. Lizzy can handle the monkey and the cat. She's not sure about Diesel. He's offering up his own set of unusual talents and promising to protect her from Grimore, the kind of protection that Lizzy suspects might involve guarding her body day and night. The Seven Deadly Sins are pride, greed, lust, envy, wrath, sloth and gluttony. That pretty much covers everything that is wicked. Diesel thinks it also pretty much covers everything that is fun. And Lizzy thinks Diesel and the Seven Deadly Sins cover everything her mother warned her about. JANET EVANOVICH is the #1 Best Selling author of the Stephanie Plum novels, twelve romance novels, the Alexandra Barnaby novels, and How I Write: Secrets of a BestSelling Author. She lives in New Hampshire and Florida.
