smartBOOK... Is the Black Book with Smart Words that Suit You!

Introduction - The smart words in Black Book will take you further...

You haven't done something extraordinary and smart, until you have read Black Book - smartBook!

How do ordinary words become smart and spicy? It's simple... The answer is in this book. All the words in Black Book are smart words and words of wisdom. They will give you smart quality and make you go further wherever you go and in whatever you do.

You have read different books, from fiction to nonfiction as part of your daily routines. You have also travelled to such and such place while reading books; read books in bed, while eating, standing, in the kitchen, and even while having a bath or taking a shower. Readers have a lot on their plate; however Black Book 'smartBook' has come with something different (Smart Words) to stay on readers' plate.

Black Book is today's and tomorrow's book of books. The contents of Black Book give light, wisdom, hope, and are inspiring. Each page in Black Book is about you and your purpose – what you do with your life – It's your smart life!

- As you read the smart words in this book and ponder over them, may you receive help in time of need, guidance in life's problem, knowledge of your Creator God, hope for the future, peace of mind, and an assurance of eternal life?
- When you work outside God's will it is like fishing on the wrong side of the boat; you wear yourself out and in the end have nothing to show for your efforts. Are you succeeding in life? No? Maybe you are fishing on the wrong side of the boat! Things are not going to work out right until you submit to God, your Creator and allow Him to direct your steps.

Black Book 'Smart Book' is the Spiritual Anatomy of Celebrities from A to Z and is aimed at testing the religious knowledge of all. It is part of the campaign against the decision by certain cinemas around the world, for banning an advertisement featuring an assortment of fairly average world citizens, say the Lord's Prayer. "Too many people forget that religion is about peace and goodwill. Banning videos of people reciting the Lord's Prayer says more about negative modern attitudes towards faith." This is why this book, Black Book 'Smart Book' comes in as an antidote to the deadly virus.

Some Celebrities have got homework to do in this book. Don't say my dog ate my homework. Find out if your name is written in this book of life – Black Book 'Smart Book.'
