**Critical Strategies for Academic Thinking and Writing** Mike Rose, Malcolm Kiniry

*Critical Strategies for Academic Thinking and Writing*, Third Edition, is a text and reader that gets to the heart of what is so essential for success in college but is so hard for students to develop. Based on years of research on the reading and writing demands of the college curriculum, *Critical Strategies* teaches students the six thinking and writing strategies necessary for college-level work in any discipline and gives them practice with the kinds of material they'll use in their other college courses. Edited by Mal Kiniry and by Mike Rose, one of the most well known figures in composition studies, the streamlined third edition gives students more help and guidance to develop competence and confidence with academic work.
