Danny has been with his "Mommy" girlfriend now for almost 3 months and is rebelling against his diaper training. Cindy, a dominant and a psychology student isn't going to stand for his behavior and uses her training to condition him to lose control, falling deeper and deeper under her spell. Can Danny hold onto his adult potty training or will Cindy take it from him forever? Will Danny get to finally have sex with his girlfriend or will he be consigned to a life of 'creamy treats'? The ABDL humiliation continues for Danny in this third installment of the Cindy Keeps Me in Diapers series.

Contains many scenes of messy diapers, diaper play, forced regression, public humiliation, and much more. No minors or children involved. This is a work of ABDL fiction and about consenting adults.
