Material Religion, Volume 2 Issue 1

Material Religion, Volume 2 Issue 1

Material Religion seeks to explore how religion happens in material culture--in images, devotional and liturgical objects, architecture and sacred space, works of art and mass-produced artifacts. Highly visual in terms of content and in color throughout, this refereed journal seeks also to bridge the worlds of scholarship and museum practice, and to support all those seeking, at whatever level, to understand and explain the relationships between objects, art and belief.
