The \$30,000 Bequest and Other Stories: A Collection of Gems By The Master (Timeless Classic Books)

Mark Twain

Snippets from online reviews: Bringing together 38 tales and sketches, The \$30,000 Bequest provides a rare long view of Twain's work, covering virtually his entire career, from "Advice to Little Girls" (a spoof that appeared in 1865, just months before he achieved national acclaim for his "Jumping Frog tale), to the title story, written in 1904. Whether he is probing the dynamics of a marriage in "The \$30,000 Bequest," or tapping into the nature of hierarchies of abusive power in "A Dog's Tale," Twain's deft craftsmanship brings energy and life to his prose. The pieces collected here--alternately playful, poignant, and powerful--are all shaped by Twain's rich and unpredictable imagination. ----- When I purchased this book, I was expecting a collection of short stories, and if that was all it was, I would have been most pleased. As is, this book contains a couple of very entertaining short stories, including the one mentioned in the title, along with a great ending about Adam and Eve, as well as a lot of anecdotes about all sorts of things. If you are a fan of Mark Twain, I would highly recommend this collection. The anecdotal material contains a lot of insight into Samuel Clemons, as well as his transition to the writer, Mark Twain. American humor in genera owes quite a lot to Mark Twain, and this collection is certainly a fine example of that. Generally, a good read, a great skim, and a priceless gem for true Twain fans.
