The Overachiever (Off The Record Story 2 - Gay New Adult Series) Kay Decker

Three seasoned editors. Three young journalism interns. *Everything else that happens is off the record.*

Matt knows the last thing in the world he needs is to develop feelings for an *intern*.

So what if Robby Sheridan is easy on the eyes, more talented than he knows, and possibly the easiest person to talk to that Matt has ever encountered? The college senior is out of his league — and even if he weren't, there's *no way* dating an intern in his 20s is a good idea. And yet.... here he is. Robby just seems to bring out the worst in him.

There's something about Matt Osborn that Robby can't put his finger on. The community news editor is passionate about what he does, casually good-looking, and effortlessly talented.

Robby jumps at the opportunity to become Matt's intern. Never in his life did Robby believe he'd become an overachiever. And yet... here he is. Matt just seems to bring out the best in him.
