Walking In Faith Brandon Wichman

20 year old Brandon Wichman (on the cover) talks about faith, family, school, and everyday life in this year-long daily devotional. This book is full of scripture and prayers that are compiled alongside reflections from Brandon's life. He talks about the ups and downs of life from the perspective of a young college student. Brandon's reflections are full of advice on how to handle the pressures of the real world with faith as the foundation. He reveals temptations he has faced, mistakes he has made, and resolutions to the struggles of life through the guidance of scripture. Brandon's hope for this devotional is for others to grow closer to God a few minutes at a time.
