In the spring of 2006, Bill Porter traveled through the heart of China, from Beijing to Hong Kong, on a pilgrimage to sites associated with the first six patriarchs of Zen. *Zen Baggage* is an account of that journey. He weaves together historical background, interviews with Zen masters, and translations of the earliest known records of Zen, along with personal vignettes. Porter's account captures the transformations taking place at religious centers in China but also the abiding legacy they have somehow managed to preserve. Porter brings wisdom and humor to every situation, whether visiting ancient caves containing the most complete collection of Buddhist texts ever uncovered, enduring a six-hour Buddhist ceremony, searching in vain for the ghost in his room, waking up the monk in charge of martial arts at Shaolin Temple, or meeting the abbess of China's first Zen nunnery. Porter's previously published *Road to Heaven: Encounters with Chinese Hermits* has become recommended reading at Zen centers and universities throughout America and even in China (in its Chinese translation), and *Zen Baggage* is sure to follow suit.
