As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
