Prophecies of the Greatest Seers

By Award Winning Author D.E. Alexander.

The greatest Prophets in the past 500 years from Nostradamus to Count Cheiro and Edgar Cayce and the Amazing Sollog a modern day seer are in this monumental look at prophecy the past 500 years.

D.E. Alexander has authored over a dozen books in his career and is the Senior Editor of 247 News an alternative news media site well known for it's articles on all things paranormal including psychics, UFOS and even Grey Alients.

If you are a fan of PROPHECY and PROPHETS you will enjoy this voluminous work by D.E. Alexander.

D.E. Alexander has rare access to one of the Prophets in this book, that being the man known around the world as SOLLOG.

Included in this new book are the truly amazing hits that Sollog has had in 2015 from events such as the historic earthquake in Nepal that struck the exact date Sollog warned in his time-stamped Youtube Blood Moon Prophecy as well as numerous acts of terrorism striking where and when Sollog warned.

Sollog achieved world fame in 2001 for his exact date prophecy about 911.

Sollog's chilling warning that an extinction level event is about to occur on earth is all the more reason for you to read this book so you might take the warning of Sollog seriously and move to the SOLLOG SAFE ZONES that the modern seer has been warning about his whole career on earth as a mystic, sage or seer.

While Sollog shuns the word PROPHET usually, he surely fits among the greatest PROPHETS in history and the brilliant work of D.E. Alexander may help save many lives from the KILLER ASTEROID that Sollog and other seers have warned of.

REVIEWS

1eBooks - A masterpiece on the occult and modern prophets.

247 News - The best work yet from D.E. Alexander
