There comes a moment in the life of a church when it becomes defeated or desperate enough to change. If your congregation is healthy, you need an annual check up to assess strengths and weaknesses. However, statistics reveal that 70-90 percent of churches are in decline or have plateaued.

This book is for the pastor or church leader that realizes their congregation needs to shift direction. It doesn't mean the church isn't functioning. It is just not functioning the way it should. The church is hurting.

Many times churches will approach change by gravitating to the latest trend or trendsetter. This book suggests that you ask the Holy Spirit to reveal Jesus' will for His church. Then you can align any needed changes with transformation. When God transforms our hearts, it comes by the Holy Spirit resetting our desires, passions, and purpose.

There is no silver bullet to get a church on track. What it takes is a long look in the mirror, a broken heart before God, and a willingness to work hard. Whether a church needs major revitalization or minor renovations, the repairs come from prayer, planning, and perspiration. So roll up your shirtsleeves, gather in prayer, and seek God's heart. Become the Desperate Church.
